Steven Zierk takes gold at the [World Youth Championship in Greece!](#) In the final round, Zierk won while his Armenian rival [Samvel Ter-Sahakyan](#) finally lost pace, allowing Zierk to pass him without the need to crunch tiebreaks. For this, Steven earns a Grandmaster norm and the IM title! Steven also posted a huge 9.5/11 score along with a 2700+ FIDE performance rating. Congratulations!
