Last week, the **US Chess Trust** announced five recipients of the 2010 **Scholar-Chessplayer Award**, including 11th grader **NM Rohan Agarwal of Fremont**. The other scholarship winners were Richard Herbst (*Colorado*), WFM Abby Marshall (*Virginia*), Jake Miller (*New York*) and FM Victor Shen (*New Jersey*).

"These annual scholarships awarded by the **US Chess Trust**, the **National Scholastic Chess Foundation**, and the **blog tribute** to the "*Master Gambiteer*" dated January 2009 and my report on the **2009 US Cadet** invitational. No doubt the many skills required to checkmate will also help Rohan in other walks of life. *Good luck!*
